

Concurrent BS/MS in DIET AND EXERCISE

Iowa State University Catalog, 2022-2023

Department of Food Science and Human Nutrition, and Department of Kinesiology

Required Coursework for Admission to the Diet and Exercise Program

Students are admitted to the university as pre-diet and exercise students and must apply for graduate admission at the beginning of the junior year and be accepted into the program.

The following courses must have been completed or be in progress at the time of the graduate application. Students planning to transfer courses from other institutions are required to have a transfer evaluation by the Office of Admissions at Iowa State University to ensure that the courses meet the requirements listed below.

Communications and Library

ENGL 150
